ArbiterGameRelease notes for August 8th,2013

Updates, Enhancements and bug fixes

- Updated games page so that when you first login your filter is set to show all future games
- Added ability to add officials from an ArbiterOne group. At this point it is mostly used for state wide accounts. If you would like to add this to your account please contact our Sales team
- Fixed bug where the "Is Physical Current" on the students page couldn't be removed.
- Fixed bug to allow the clean-up time and end time of a game can be the same.
- Fixed bug on transportation requests to always show the return time when there was one.

ArbiterLive

- Fixed bug where the team print out would show duplicate games if the game had more than one opponent.
- Updated the email that came from ArbiterLive to be more precise.
