Sept 20th 2013 Update

Thursday, September 19, 2013

ArbiterGameReleasenotes for September 19th,2013

Updates, Enhancements and bug fixes

• Fixed Bug with PrintedCalendar. The Calendar would not show all the games when filtered by a sport.

• Added Tournaments to ArbiterLive games list.

• Updated TransportationRequests to not do time checking if departure time is set to TBA.

• Added ability in ArbiterLive to follow a team and get game reminders and game change info.

You can be notified by both Text and Email.
